

ACTIV

Fusing Style and Ergonomics

Quite simply, the ACTIV range is designed to impress! With its state of the art design, 3-D Mesh backrest with an adjustable lumbar support, multi-adjustable arm rests and the use of either recycled or recyclable materials, the ACTIV range demonstrates Karo's commitment to both modern office chair design and environmental sustainability.

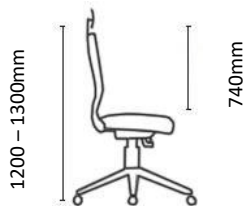

The ACTIV range carries a medical endorsement for its ergonomic features by Dr JJ Gilau, specialist in neck, back and shoulder pain rehabilitation.

Features:

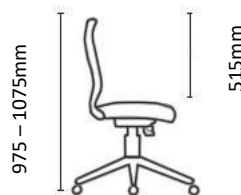

- 3-D Lite, black MESH backrest which moulds to the shape of your back.
- Fully adjustable lumbar support with height and depth adjustment.
